

American Society for Health Care Risk Management

# HRM WEEK

## JUNE 17-21, 2019

Whereas, the American Society for Health Care Risk Management is a personal membership group of the American Hospital Association, and

Whereas, there more than 6,000 members of ASHRM who represent risk management, patient safety, insurance, law and other health care-related professions, and

Whereas, ASHRM promotes effective and innovative risk management strategies and patient safety through education, recognition, advocacy, publications, networking and interactions with leading health care organizations and government agencies, and

This year's theme is Leaders in Safe and Trusted Health Care. The theme celebrates the achievement of all health care risk management professionals; and highlights their leadership in advancing patient safety, reducing uncertainty and maximizing value across the health care enterprise.

Whereas, along with ASHRM, the \_\_\_\_\_ has declared the week of June 17-21, 2019, as Health Care Risk Management Week Presented by The Risk Authority Stanford in celebration of the ways in which risk managers strive to promote safe and effective patient care practices, mitigate risk and maintain safe work environments, therefore be it

Resolved, that I, \_\_\_\_\_, asks that all residents of this state/ community join me in honoring the risk management professionals who advocate for all of us, and be it further

Resolved, that the residents of \_\_\_\_\_ celebrate risk managers' contributions and efforts to improve the safety of our health care system, and show our appreciation for the nation's risk managers not just during this week, but at every opportunity throughout the year.
